ABOUT ME

Passionate about network administration and cybersecurity, I am a dedicated 3rd-year Bachelor student with practical experience in deploying MikroTik hardware, Linux/Windows servers, and security monitoring solutions like Suricata IDS. Holding Fortinet Certified Fundamentals (FCF) certification and a valid driver's license, I am fully bilingual in professional English and French. I am seeking an opportunity to leverage my technical skill set in network infrastructure management and contribute actively to strengthening your organization's IT security posture.
